

Europass Curriculum Vitae

Name	DONEVSKA, KATERINA
Telephone	+389 2 3 116 066/132
Fax	+389 2 3 118 834
E-mail	donevska@gf.ukim.edu.mk , katerinadonevska@yahoo.com
Nationality	Macedonian
Gender	female
WORK EXPERIENCE	
• Dates (from – to)	NOVEMBER 2011-TODAY
• Name and address of employer	University Sts Cyril and Methodius, Faculty of Civil Engineering, Partizanski odredi 24, 1000 Skopje, Republic of Macedonia
• Type of business or sector	Education, science
• Occupation or position held	Full professor in irrigation and drainage, water supply and sewage
• Main activities and responsibilities	Teaching (from 2023 – today): Environmental impact assessment of civil engineering facilities, Undergraduate Studies, (EKTS) (lecturers and exams) Drainage systems, Graduate Studies, (EKTS) (lecturers and exams) Irrigation systems, Graduate Studies, (EKTS) (lecturers and exams) Landfills, Graduate Studies (EKTS) Teaching (from 2011 – 2023): Drainage systems, Undergraduate Studies, (EKTS) (lecturers and exams) Irrigation systems, Undergraduate Studies, (EKTS) (lecturers and exams) Environmental impact assessment of civil engineering facilities, Undergraduate Studies, (EKTS) (lecturers and exams) Advanced topics on irrigation and drainage systems, Graduate Studies (EKTS) Landfills, Graduate Studies (EKTS) Ground water exploitation, Graduate Studies (EKTS) Solid Waste Management, graduate studies, Ss Cyril and Methodius University in Skopje, Interdisciplinary Study of Environment Protection (until 2017)
• Dates (from – to)	APRIL 2007 – NOVEMBER 2011
• Name and address of employer	University Sts Cyril and Methodius, Faculty of Civil Engineering, Partizanski odredi 24, 1000 Skopje, Republic of Macedonia
• Type of business or sector	Education, science
• Occupation or position held	Associate professor
• Main activities and responsibilities	Teaching: Drainage systems, VII semester, Undergraduate Studies, (EKTS) (lecturers and exams) Irrigation systems, VIII semester, Undergraduate Studies, (EKTS) (lecturers and exams) Landfills, elective course, Undergraduate Studies, (EKTS) (lecturers and exams) Environmental impact assessment of civil engineering facilities, elective course, Undergraduate Studies, (EKTS) (lecturers and exams) Advanced topics on irrigation and drainage systems, Graduate Studies (EKTS) Nonhazardous landfills, Graduate Studies (EKTS)
• Dates (from – to)	April 2002 - April 2007
• Name and address of employer	University Sts Cyril and Methodius, Faculty of Civil Engineering, Partizanski odredi 24, 1000 Skopje, Republic of Macedonia
• Type of business or sector	Education, science
• Occupation or position held	Assistant professor
• Main activities and responsibilities	Teaching: 2005/2006 – 2006/2007 - Environmental impact assessment of civil engineering facilities, elective course, Undergraduate Studies (lecturers and exams) 2002/2003-2004/2005-Landfills, VII and VIII semester, Undergraduate Studies, Interdisciplinary Study of Environment Protection, Skopje, Macedonia (lecturers and exams);

	2002/2003- Hydrology, V i VI semester, Undergraduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (lecturer of topics: Mathematical statistics and theory of probability, Floods, Surface Runoff); 2004/2005-2006/2007- Irrigation and Drainage, VII and VIII semester, Undergraduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (lecturers and exams); 2002/2003-2007/2008 -Landfills, Graduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (lecturers and exams); 2002/2003-2007/2008 - Drainage of Agricultural Land, Graduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (lecturers and exams); 2002/2003-2007/2008 -Automated and mechanized irrigation systems, Graduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (lecturers and exams);
• Dates (from – to)	Oct 1997- April 2002
• Name and address of employer	University Sts Cyril and Methodius, Faculty of Civil Engineering, Partizanski odredi 24, 1000 Skopje, Republic of Macedonia
• Type of business or sector	Education, science
• Occupation or position held	Assistant
• Main activities and responsibilities	Tutorial and demonstrations: 1997/1998-2003/2004-Irrigation and Drainage, VII i VIII semester, Undergraduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (tutorials and demonstrations); 1999/2000-2001/2002-Sewage systems, VII and VIII semester, Undergraduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (tutorials and demonstrations); 1999/2000-2004/2005-Landfills, VII i VIII semester, Undergraduate Studies, Interdisciplinary Study of Environment Protection, Skopje, Macedonia (tutorials and demonstrations); 2002/2003-Hydrology, V i VI semester, Undergraduate Studies, Faculty of Civil Engineering, Skopje, Macedonia (tutorials and demonstrations).
• Dates (from – to)	Dec 1994 - Oct 1997
• Name and address of employer	Fund for Health Insurance
• Type of business or sector	management
• Occupation or position held	Financial adviser
• Main activities and responsibilities	Reconstruction and maintenance of civil engineering facilities
• Dates (from – to)	Sept 1985 - Dec 1994
• Name and address of employer	EMO –Ohrid, Institute for Hydroenergetics in Skopje
• Type of business or sector	Designer of civil engineering facilities
• Occupation or position held	Project Manager
• Main activities and responsibilities	Designing: Hydro power plants, Waste water treatment plants, Drainage systems, River training works, Water supply systems, Storm water systems
EDUCATION	
• Dates (from – to)	November 1998-December 2001
• Name and type of organization providing education and training	Faculty of Civil Engineering, Skopje, Republic of Macedonia
• Principal subjects/occupational skills covered	Irrigation Doctoral dissertation thesis "Optimal Solution for Pressurized Irrigation Systems"
• Title of qualification awarded	Ph.D.
• Level in national classification (if appropriate)	Doctor of Philosophy of Technical Sciences
• Dates (from – to)	February 1988 - May 1991
• Name and type of organization providing education and training	Faculty of Civil Engineering, Skopje, Republic of Macedonia
• Principal subjects/occupational skills covered	Hydrology Master thesis "Hydrologic Processes with Low Probability"
• Title of qualification awarded	M.Sc.
• Level in national classification (if appropriate)	Master of Technical Sciences (MSc)
• Dates (from – to)	October 1980 - June 1985
• Name and type of organization providing education and training	Faculty of Civil Engineering, Skopje, Republic of Macedonia
• Principal subjects/occupational skills covered	Hydraulic Engineering

• Title of qualification awarded	B.Sc Diploma
• Level in national classification (if appropriate)	Graduated Civil Engineer (Hydraulic Engineering)
TRAINING	
• Dates (from – to)	February 2013
• Name and type of organization providing education and training	Public Enterprise for State Roads of Republic of Macedonia (under the World Bank funded Macedonia Local and regional Roads Support Project)
• Principal subjects/occupational skills covered	Strategic Environmental Assessment, Environmental Impact Assessment, Environmental Management and Monitoring
• Title of qualification awarded	Certificate of attendance
• Dates (from – to)	Oct 2005-Nov 2005
• Name and type of organization providing education and training	Advanced International Training Programme on Environmental Impact Assessment (EIA) and Strategic Impact Assessment (SEA), sponsored by Swedish International Development Cooperation Agency (Sida), organized by Ramboll Natura AB and Regional Environmental Center for Central and Eastern Europe, Stockholm, Sweden
• Principal subjects/occupational skills covered	Development of EIA/SEA legislation and institutions (Swedish examples, international experiences, SEE examples) Screening, scoping, Stakeholder analysis, public participation, transboundary impacts, Health Impact Assessment, Social Assessment, Environmental Risk Assessment, Environmental Economics Field visits in Sweden and case studies
• Title of qualification awarded	Certificate
• Dates (from – to)	April 1997
• Name and type of organization providing education and training	Seminar on “Investment Decision-making and Project Management” organized by the Economic Development Institute of the World Bank in collaboration with the Ministry of Development of Macedonia
• Principal subjects/occupational skills covered	Investment Decision-making Project Management
• Title of qualification awarded	Certificate of attendance
LICENSURE	
	Certified designer of civil engineering structures type A and type B according to national legislation (Certificate issued by Macedonian Chamber of certified architects and certified engineers)
	Certified construction supervisor of civil engineering structures type A and type B according to national legislation (Certificate issued by Macedonian Chamber of certified architects and certified engineers)
	Certified technical audit of civil engineering design project for type A and type B structures according to national legislation (Certificate issued by Macedonian Chamber of certified architects and certified engineers)
	Certified expert for Environmental Impact Assessment according to national legislation http://www.moep.gov.mk/wp-content/uploads/2014/10/LISTA-NA-EKSPERTI-EIA_14_01_14.pdf

<p>SCHOLARSHIPS/GRANTS AND INTERNATIONAL ACTIVITIES</p>	<p>Fulbright Visiting Scholar at Bowling Green State University, OH, USA, from 01/09/2010 to 31/05/2011, Lecturing grant, Project title “Fostering Environmental Awareness in Macedonian Higher Education Using Contemporary U.S. Models”</p> <p>Visiting professor at the University of Firenze, School of Engineering, Department of Civil and Environmental Engineering, within the Erasmus + staff mobility for teaching, Florence, Italy, from 03/04/2017 to 07/04/2017.</p> <p>Visiting professor at the University of Ljubljana, Faculty for Biotechnology, Ljubljana, Slovenia, within the CEEPUS Applied Hydroinformatics CIII-RS-1112-01-1617, 17/10/2016-28/10/2016.</p> <p>Visiting professor at the University of Architecture, Building and Geodesy, Faculty of Civil Engineering, Department of Hydraulic Engineering, Sofia, Republic of Bulgaria, Central European Exchange Program for University Studies (CEEPUS), CII-BG-0022-04-0809, 13.04.2009 -13.05.2009</p> <p>Visit to the Technische universitat Wien-TUW within the project Development of Environmental Resources Engineering Curriculum- TEMPUS DEREC-JEP-19028-2004, July 2007.</p> <p>Visit to the University of Ljubljana, Faculty for Biotechnology, Department of Agriculture within the international research project “Meeting the Increased Irrigation Demand as a Result of Climate Change”, April 2007.</p>
<p>INVITED LECTURES/ ORAL PRESENTATIONS</p>	<p>Donevska K., 2023, Climate Resilient Infrastructure in Water Sector, Geoenvironmental Engineering Webinars, University of Illinois at Chicago, Chicago, USA (https://www.youtube.com/c/GeoenvironmentalEngineeringWebinars/videos).</p> <p>Donevska K., 2021, Landfill Site Selection Criteria and Methodologies, Geoenvironmental Engineering Webinars, University of Illinois at Chicago, Chicago, USA (https://www.youtube.com/c/GeoenvironmentalEngineeringWebinars/videos).</p> <p>Donevska K., 2019, Estimating Municipal Solid Waste Generation: from Traditional Methods to Artificial Neural Networks, 2nd International Conference on Environmental Geotechnologies, Recycled Waste Materials, and Sustainable Engineering (EGRWSE-2019), University of Illinois at Chicago, Chicago, USA (invited lecturer).</p> <p>Donevska K., Oct 2017, Landfill Leachate Impact on the Environment (seminar), University of Illinois at Chicago, Department of Civil & Materials Engineering.</p> <p>Donevska K., Jan 2017, Landfill Site Selection and Design (seminar), University of Illinois at Chicago, Department of Civil & Materials Engineering.</p> <p>Donevska K., Feb 2017, Vulnerability Assessment and Adaptation in the Water Sector of the City of Skopje (lecturing), University of Firenze, School of Engineering, Department of Civil and Environmental Engineering, Florence, Italy.</p> <p>Donevska K., Oct 2016, Hydrologic Cycle and Water Balance (lecturing), University of Ljubljana, Faculty for Biotechnology, Ljubljana, Slovenia.</p> <p>Donevska K., Oct 2016, Physical Methods for River Training and Landscape Engineering (lecturing), University of Ljubljana, Faculty for Biotechnology, Ljubljana, Slovenia.</p> <p>Donevska K., 2011, Non Hazardous Landfill Site Selection: A Case Study for the Polog Region, Republic of Macedonia, Ohio EPA’s Northwest District Office, USA.</p> <p>Donevska K., 2011, Non Hazardous Landfill Site Selection: A Case Study for the Polog Region, Republic of Macedonia (lecturing), University of Toledo, USA.</p> <p>Donevska K., 2010, Environmental Issues in Nonhazardous Landfill Site Selection, Bowling Green State University (lecturing), School of Earth, Environment and Society, Ohio, USA.</p> <p>Donevska K., 2009, Conditions of Irrigation and Drainage Systems in the Republic of Macedonia, Faculty of Civil Engineering, Sofia, Bulgaria.</p> <p>Donevska K., 2008, Climate Change Impact on the Water resources in the Republic of Macedonia, Regional Workshop “Water issues in the Eastern Europe: Impact of climate change, vulnerability assessments and adaptation measures” (keynote speaker), under the framework of the Regional Process of the 5th World Water Forum, Skopje, Macedonia.</p> <p>Donevska K., 2008, Classification of Landfills, Design of Leachate Collection Systems, Landfill Site Selection Criteria, Plenary Session on the Seminar on Non hazardous Landfill Design, Faculty of Civil Engineering in Skopje, Macedonia.</p> <p>Donevska K., 2008, Landfill Barrier Design, Plenary Session on the II Regional Congress of the Geotechnical Faculty students GEOREKS, Ohrid, Macedonia.</p>

ATTENDED WORKSHOPS:	At Bowling Green State University Center for Teaching and Learning: Writing for Readers: An Instructor's Guide. Two Top Citation Databases: Web of Science and Scopus. Problem-based Learning. Beyond EBSCO. RefWorks. Active Learning Strategies. Project based learning. Learner-Centered Teaching in Large Classes. Designing the Learner-Centered Syllabus. Assessing Student Work Using Portfolios.
ACADEMIC/COMMUNITY SERVICE	Head of doctoral study programme at the Faculty of Civil Engineering in Skopje, Oct 2013 –Jan 2015 Member of the Ss Cyril and Methodius University Editorial Committee, 2012 –2020 Member of the Faculty of Civil Engineering Self Assessment Committee, Jan 2013-Dec 2013 Member of the Faculty of Civil Engineering Graduate Study Committee, Nov 2011 -Dec 2013 Head of the Department of Water Supply, Sewage, Irrigation and Drainage at Faculty of Civil Engineering, Nov.2012-2019 Member of the Editorial Board of Porta 3 (professional journal in civil engineering, architecture and environment), April 2012-April 2015 Serve as reviewer of journals: Environmental Earth Sciences (Springer), Environmental Monitoring and Assessment (Springer), Waste management (Elsevier), Landscape and Urban Planning (Elsevier).
MEMBERSHIP	IAHS (International Association of Hydrologic Society).
AWARDS	Faculty of Civil Engineering in Skopje, Awarded for the best researcher in 2012
PERSONAL SKILLS	
MOTHER TONGUE	Macedonian
OTHER LANGUAGES	English (Reading: excellent, Writing: excellent, Verbal: excellent), Serbian, Croatian (Reading: excellent, Writing: excellent, Verbal: good)
SOCIAL SKILLS AND COMPETENCES	Very good social and communication skills. Ability to adopt to a multicultural living and working environment. Fulbright Visiting Scholar at Bowling Green State University, OH, USA, from 01/09/2010 to 31/05/2011. Very good presentation skills. Excellent team worker and goal oriented. Love reading books, going to theatre, opera, cinema.
ORGANISATIONAL SKILLS AND COMPETENCES	Analytical, Problem solving, Decision making, Attention to details, Multi tasking, Excellent Communication Skills, Knowledge sharing and long life learning.

Scientific and research projects:

Principal investigator of the international research project:

1. Donevska K., Petkovski L., Vilos I., Kondinski I., Vesna Z., Pintar M., Bogataj L., Črepinšek Z., 2006-2007, "Meeting the Increased Irrigation Demand as a Result of Climate Change", funded by Ministry of Science and Education of the Republic of Macedonia and Slovenian Research Agency.

Member of the team:

1. Pelivanoski P., Donevska K., Taseski G., Gesovska V., 2016- , Analyses of Water Supply Norm for the City of Skopje, University Ss Cyril and Methodius, Faculty of Civil Engineering in Skopje and PE Water Supply and Sewage Skopje.
2. Development of Environmental and Resources Engineering Learning (DEREL), EU TEMPUS PROJECT NUMBER – 511001-TEMPUS-1-2010-1-IT-TEMPUS-JPCR, 2010-2013.
3. Development of Environmental Resources Engineering Curriculum (DEREC) TEMPUS- DEREK-JEP-19028, 2004 -2008.
4. Vukelic Z., Pelivanoski P., Donevska K, July 2000 – July 2003, Irrigation systems as an object for automated and optimal management, funded by Ministry of Science and Education, Republic of Macedonia.
5. Langford D., Dimitrijevic B., Vukelic Z., Pelivanoski P., Donevska K., Jovanovski V., Jonovski M., 2002-2003, Consortium building for research in innovations for sustainable development in Macedonia; FP5 Programme, CORDIS RTD- Projects/ European Communities.
6. Petkovski L., Tančev L., Zdravkova K., Pecev Z., Dodeva S., Donevska K., 2002. "Development of integrated information system for planning and utilization of water resource systems with reservoirs", Funded by Ministry of Science and Education, Republic of Macedonia, July 1999 –July 2002.

CONSULTANCY WORK:

1. DEKONS EMA, 2019, Environmental Impact Assessment Study for dam and reservoir Otinja (memeber of the team).
2. Donevska K., Jovanovski J., 2018, Expert elaborate on environmental impact assessment for the project "Construction of factory for dried plums in village of Smojmirovo, municipality Berovo", DIPKO, Skopje.
3. Donevska K., 2016, Report on Vulnerability Assessment and Adaptation in the Water Sector of the City of Skopje in the Climate Change Strategy – Resilient Skopje (UNDP project ICT for Urban Resilience), City of Skopje, Skopje.
4. Conevski T., Stavric V., Krango N., Krstic S., Blinkov I., Cukaliev O., Mojsovska S., Donevska K., Mincev I., Dimov M., Conevski S., March 2016, Prespa Lake Watershed Management Plan (update 2016), draft final report, UNDP project Restoration of the Prespa Lake Ecosystem, Geotehnicki inženjering, Skopje.
5. Feasibility Analysis of Irrigation Options for the Prespa Lake Watershed, 2016, UNDP project Restoration of the Prespa Lake Ecosystem, PointPro Consulting DOO, Skopje.
6. Krakutovski Z., Donevska K., Ognjenovic S., Zafirovski Z., Jovanovski J., Ristev R., Nedevska I., 2016, Feasibility Study for a New Access Road to the Mine Ilovica, Geodet DOOEL, Radovich.
7. Popovska C., Gesovska V., Jovanovski M., Donevska K., Tanaskovic V., Cukaliev O., Nacka M., Veljanovska Sarafiloska E., Blinkov I., Pesevski I., Mincev I., 2015, Hydrogeological Study for the Lake Prespa Watershed (UNDP Restoration of Prespa Lake Project), Faculty of Civil Engineering, Skopje.
8. Krakutovski Z., Moslavac D., Cvetanovski P., Jovanovski M., Donevska K., Glavinov A., Zafirovski Z., Matevski A., 2014, Feasibility Study for construction of the project Panoramic tram line "The Tsar's Towers" in Strumica (responsible for preliminary environmental impact assessment), Faculty of Civil Engineering, Skopje.
9. Donevska K., Pelivanoski P., Taseski G., Jovanovski J., 2014, Expert elaborate on environmental impact assessment for the project Construction of the irrigation system main channel "Raven Recica" in Polog region, Faculty of Civil Engineering in Skopje.
10. Pelivanoski P., Donevska K., Taseski G., 2013, Study on "Raven Recica" irrigation system network layout, Faculty of Civil Engineering in Skopje.
11. Pelivanoski P., Donevska K., Taseski G., 2013, Basic design on "Raven Recica" irrigation system main channel, Faculty of Civil Engineering in Skopje.
12. DEKONS EMA, 2011, Environmental Impact Assessment Study for dam and reservoir Orizarska Reka (member of the team).
13. Faculty of Civil Engineering in Skopje, 2010, Strategy for civil engineering development of Montenegro (member of the team, responsible for: water management and waste management legislation).
14. Regional Environmental Centre for Central and Eastern Europe (group of experts), 2009, Consultancy services related to collection, assessment and evaluation of national information in support of the Transboundary Diagnostic Analysis and development of a Strategic Action Programme in the Prespa Lakes Basin, (responsible for: hydrology, irrigation, flood / drought), Skopje.
15. Krakutovski Z., Donevska K., Moslavac D., 2009, Terms of Reference for development of Feasibility Study with Preliminary Design, Cost Benefit Analysis and Environmental Impact Assessment Study for upgrading sections of the railway

- infrastructure of Corridor X (railway section Kumanovo-Deljadrovci, section Veles-Nogaevci, section Dracevo-Veles, section Demir Kapija-Miravci and the branch Xd (renewal of railway track on the section Bitola-Kremenica).
16. Krakutovski Z., Donevska K., Donceva R., 2009, Terms of Reference for development of Feasibility Study with Cost Benefit Analysis and Environmental Impact Assessment Study for upgrading the road sections on Corridor VIII – Romanovce - Deve Bair and Gostivar – Kafasan.
 17. Donevska K., 2009, Decree on General Requirements for all Classes of Landfills, Ministry of Environment and Physical Planning of the Republic of Macedonia, Official Gazette of the Republic of Macedonia No 78/09.
 18. Donevska K., Pelivanoski P., Donceva R., Samardziska T., 2009, Technical audit of the basic design for technical measures for environmental protection, Book 13, Transport corridor K-8 , east-west, highway Devebair –Kafasan, section: Struga – Kafasan.
 19. Donevska K., Donceva R., 2009, Review of the Environmental Impact Assessment Study for the highway on section Miladinovci-St Nikole-Stip –civil engineering aspects.
 20. Donevska K., Pelivanoski P., Donceva R., 2009, Review of the Environmental Impact Assessment Study for the highway Devebair-Kafasan, section: Dlabocica-Catal, Catal-Strezovci, Strezovci-Romanovci–civil engineering aspects.
 21. Donevska K., 2009, Terms of Reference for Environmental Impact Assessment Study for highway, sections: Stip-Radovis – Strumica; Border Crna Skala-Delcevo-Kocani-Stip-Veles (Otovica); Prilep - Bitola - Makazi – ring road Resen – Izbista - Kosel – Trebenista.
